How to Download the Course Certificate

1. To obtain the certificate, you must complete the course evaluation and pass the post-test with a score of 80% or higher.
2. You can view your progress, score and review the answers to the questions by clicking on the green numbers for each question.

The screenshot shows the 'Diabetes Technology Certificate Post-test' results page. At the top right, a green progress bar indicates '100%'. Below this, a green banner with a checkmark states 'You have completed Diabetes Technology Certificate Post-test'. The main content area is divided into three columns: 'Progress' (10/10 questions, 100% completed), 'Score' (100%, 10 out of 10 correct), and 'Improve' (Reset Exam). Below these columns are buttons for 'Review Exam', 'Print', 'Report', and 'Reset Exam'. A 'Questions' section at the bottom shows a list of 10 questions, all marked as correct with green checkmarks. A red arrow points to the '100%' score in the 'Score' column, and another red arrow points to the '2' in question 2.

3. After passing the post-test, navigate back to the course homepage, click the “**Download Certificate**” button to save a PDF copy to your computer.
