

Beyond Socioeconomic & Access To Care: The Clinical Imperative for Understanding Racial Heart Failure Differences and Disparities (Joint Session ABC)		
Moderator (Panel / Q&A)	Clyde Yancy ,MD	Northwestern University Feinberg School of Medicine
Racial Differences In Rates of Heart Failure Hospitalization and Death: A Growing Problem	Boback Ziaieian ,MD, PhD	David Geffen School of Medicine at UCLA
Not Just a Man's Disease: The Disproportionate Burden of Heart Failure in Women of Color	Eileen Hsich ,MD	Cleveland Clinic
Genetic Determinants that Contribute to the Higher Incidence of Heart Failure in Persons of African Ancestry	Dennis McNamara ,MD	University of Pittsburgh Medical Center
A-HeFT or A-LEFT Behind? Disparities in the Medical Management of HFrEF in Black Patients	Eldrin Lewis ,MD	Stanford University Medical Center
Panelist	Khadijah Breathett ,MD	University of Arizona
Panelist	Carols Rodriquez ,MD, MPH	Albert Einstein College of Medicine
Heart Meets Kidney		
Moderator (Introductions)	Meredith Brisco-Bacik ,MD, MPH	Temple Health & Vascular Institute
Latest Insights to Pathophysiology of CRS	Hornng Chen ,MD, MPH	Mayo Clinic
Diuretic Decongesiton Strategies: Which DOSE, Route and Combination?	Aaron Bagnola ,MD, MPH	Inova Heart and Vascular Institute
Cardio-Renal Learnings From New Trials	Jamie Dwyer ,MD, MPH	Vanderbilt
Non-Medication Based Therapeutic Strategies	Jeffrey Testani ,MD, MPH	Yale University
Moderator (Panel / Q&A)	Peter McCullough ,MD, MPH	Baylor Heart & Vascular Hospital
Update on Medical Treatment Strategies in HF		
Moderator (Introductions)	Prateeti Khazani ,MD, MPH	Universisty of Colorado School of Medicine
How to Sequence New Therapies in HF	Gregg Fonarow ,MD, MPH	University of California
Benefits of Comprehensive Medical Treatment	Muthiah Vaduganathan ,MD, MPH	Brigham and Women's
How to Individualize Medical Treatment - One Size Does not Fit All	Michael Nassif ,MD, MPH	Saint Luke's
Moderator (Panel / Q&A)	Eileen O'Meara ,MD, MPH	Montreal Heart Instiitute
HF and the End of Life – Opportunities for Innovation and Collaboration at the Intersection of Cardiology and Palliative Care		
Moderator (Introductions)	Arden O'Donnell ,MD, MPH	Boston University School of Social Work
Role of Early Palliative Care for Heart Failure: Planning Ahead without Creating Much Ado about Nothing	Sarah Chuzi ,MD, MPH	Northwestern University
Advanced Therapies and Palliative Care: Big Decisions, Big Considerations, Big Feelings	Haider Warraich ,MD, MPH	Brigham and Women's Hospital/Boston Veterans Affairs Medical Center
Innovative Partnerships Between Palliative Care and Heart Failure Cardiology: Creating a Team of Teams	Krista Dobbie ,MD, MPH	Cleveland Clinic
Social Determinants and Financial Considerations at End of Life: In Hospice You Can Keep Doing Everything That Makes You Feel Better ... Except For This Long List of Things	Amrut Ambardekar ,MD, MPH	University of Colorado
Caregiver Burden in Advanced Heart Failure: The Forgotten	Ruth Masterson Creber ,MD, MPH	Weill Cornell Medicine
Moderator (Panel / Q&A)	Ann Laramée ,MD, MPH	University of Vermont Medical Center

Contemporary Challenges In Heart Transplantation: A New Decade, New Opportunities

Moderator (Introductions)	Kelly Schlendorf ,MD, MPH	Vanderbilt University Medical Center
Time for a Tune-up: Let the Pharmacist under the Hood Before You Hit the Road	Douglas Jennings ,MD, MPH	Columbia University Medical Center
Charting the Course: Navigating through the New Allocation System to a Successful Transplant	Rebecca Cogswell ,MD, MPH	University of Minnesota
Finding the Right Travel Buddy: When Should the Kidney Come Along for the Ride?	Barry Trachtenberg ,MD, MPH	Houston Methodist
Check the Tire Pressure! What do to When Your Patient has Pre-transplant Pulmonary Hypertension	Ashrith Guha ,MD, MPH	Houston Methodist
Pumping the Breaks on Bad Antibodies: Contemporary Approaches to Sensitized Heart Transplant Candidates	Marlena Habal ,MD, MPH	Columbia University
Moderator (Panel / Q&A)	Laura Peters ,MD, MPH	University of Colorado

Unfolding Developments in the Care of Patients with TTR Cardiac Amyloidosis

Moderator (Introductions)	Ayan Patel ,MD, MPH	Tufts Medical Center
Understanding Cardiac Amyloidosis: Insights from the Bench	Kevin Alexander ,MD, MPH	Stanford University
The Road to Diagnosis: Whom Do I Screen, When Do I Biopsy	Brett Sperry ,MD, MPH	St. Lukes Mid America
Imaging for Cardiac Amyloidosis: Pearls and Pitfalls	Sharmila Dorbala ,MD, MPH	Brigham and Womens
Advanced Heart Failure Therapies in the Patient with Cardiac Amyloid	Justin Grodin ,MD, MPH	UT Southwestern
Current and Emerging Therapies for Transthyretin Amyloidosis	Mathew Maurer ,MD, MPH	Columbia University
Practical Tips for Pharmacotherapy Challenges in Transthyretin Amyloidosis, Including Helping Patients Navigate Access to Therapy	Lucy West ,MD, MPH	Cleveland Clinic
Moderator (Panel/ Q&A)	Mazen Hanna ,MD, MPH	Cleveland Clinic Foundation
Panel Discussion	Ronald Witteles ,MD, MPH	Stanford University Medical Center

Structural Interventions for A Failing Heart - A Partnership Between Interventional and Heart Failure Cardiologists

Moderator (Introductions)	Julie Rosenthal ,MD, MPH	Mayo Clinic Arizona
To Clip or Not to Clip: That Is the Debate! MitraClip - Confirmed	JoAnn Lindenfeld ,MD, MPH	Vanderbilt University Medical Center
To Clip or Not to Clip: that Is the Debate! MitraClip - Need More Data	Michael Acker ,MD, MPH	University of Pennsylvania
Percutaneous Tricuspid Valve Interventions: Myth or Reality	Steven Bolling ,MD, MPH	University of Michigan
Transcatheter Aortic Valve Replacement for Patients with Low Ejection Fraction: Should It be Used for the Low Flow, Low Gradient State?	Michael Reardon ,MD, MPH	Houston Methodist Hospital
Atrial unloading to treat ventricular dysfunction: conceptual framework and therapies	Daniel Burkhoff ,MD, MPH	Cardiovascular Research Foundation
Moderator (Panel/ Q&A)	Nir Uriel ,MD, MPH	Columbia Presbyterian University

Cardiogenic Shock in 2020: Evolving Definitions, Devices, and Delivery

Moderator (Introductions)	Shelley Hall ,MD, MPH	Baylor University Medical Center
---------------------------	-----------------------	----------------------------------

Challenges in Defining and Classifying Cardiogenic Shock: Why It is Important to Speak a Unified Language	David Baran ,MD, MPH	Sentare Healthcare
Coming Together: How to Build A Multidisciplinary Shock Team	Michael Givertz ,MD, MPH	Brigham and Women's Hospital
The Toolbox of the Shock Team in 2020: Hemodynamic Effects of Acute MCS Devices	Nir Uriel ,MD, MPH	Columbia University Medical Center
How to Approach Percutaneous MCS for Shock Patients On the Transplant List	Ulrich Jorde ,MD, MPH	Montefiore
The Modern CICU: A Multidisciplinary Comprehensive Critical Care Unit for the Entire Arc of Heart Failure, Transplant, and MCS	David Berg ,MD, MPH	Brigham and Women's Hospital
A Challenging Case in Cardiogenic Shock: Focus on Acute MI	Esther Vorovich ,MD, MPH	Northwestern
Challenging Cases in Cardiogenic Shock: Focus on Acute on Chronic Heart Failure	Arthur Garan ,MD, MPH	Beth Israel Deaconess Medical Center
Moderator (Panel / Q&A)	Justin Fried ,MD, MPH	Columbia University Medical Center
Understanding Heart Failure with Recovered Ejection Fraction		
Moderator (Panel/Q&A)	Kenneth Margulies ,MD, MPH	University of Pennsylvania School of Medicine
Moderator (Introductions)	Esther Shao ,MD, MPH	Tufts University, Maine Medical Center
Recovering Cardiac Function After Injury: Lessons from the Laboratory	Walter Koch ,MD, MPH	Temple University
Resynchronization Super-Responders: Who, Why and What Next?	Rami Kahwash ,MD, MPH	The Ohio State University
Prioritizing Polypharmacy in Recovered Ejection Fraction	Jane Wilcox ,MD, MPH	Northwestern University Feinberg School of Medicine
Recovering Ejection Fraction After Viral Myocarditis, Who, Why, and What Are We Going Learning from COVID-19?	Sean Pinney ,MD, MPH	Mount Sinai
Moderator (Panel/Q&A)	Kenneth Margulies ,MD, MPH	University of Pennsylvania School of Medicine
The Intersection of Cardio-Oncology and Advanced HF: From Stage A to D		
Moderator (Introductions)	Daniel Lenihan ,MD, MPH	Washington School of Medicine at St. Louis
Building a Successful Cardio-Oncology Program 101	Jean-Barnard Durand ,MD, MPH	MD Anderson Cancer Center
Screening for Cardiotoxicity; Imaging? Biomarkers? or None at All	Jennifer Liu ,MD, MPH	Memorial Sloan Kettering Cancer Center
What's Old, New and Emerging About Cardiotoxicity?	Ana Barac ,MD, MPH	Medstar Washington Hospital Center
Immunotherapy and Cardiac Dysfunction: From Mechanisms to Therapy	Javid Moslehi ,MD, MPH	Vanderbilt University Medical Center
Advanced Cardi-oncology: What About LVAD and Heart Transplant Patients?	Jayant Raikhelkar ,MD, MPH	Columbia University Medical Center
Moderator (Panel Q&A)	Anju Nohria ,MD, MPH	Brigham and Women's Hospital
The Economics of HF – Exploring Social Determinants and Financial Burden in the Care of Patients with HF		
Moderator (Introductions)	Katherine DiPalo ,MD, MPH	Montefiore Medical Center
Financial Toxicity - What Is It and What Are the Implications?	Khurram Nasir ,MD, MPH	Houston Methodist
Assessment of Financial Burden and Its Impact on Health Outcomes	Samuel Slavin ,MD, MPH	Brigham and Women's Hospital

Intersection of Financial Burden with Health Disparities	Clyde Yancy ,MD, MPH	Northwestern University
The Economics of Advanced Therapies	Leslie Davis ,MD, MPH	University of North Carolina
Interventions and Policy Innovation to Address Social Determinants of Health and Financial Burden	Paul Heidenreich ,MD, MPH	Stanford VA Palo Alto Medical Center
Moderator (Panel / Q&A)	Nancy Sweitzer ,MD, MPH	University of Arizona
